The Minnesota Department of Public Safety division of Emergency Communication Networks (DPS-ECN) invites you to participate in our upcoming “Regional Stakeholder Engagement Meeting”. These quarterly meetings are intended to provide stakeholders with an opportunity to participate in discussions related to local, regional, and statewide emergency communication initiatives occurring across all four of Minnesota’s core emergency communication systems (9-1-1, ARMER, Wireless Broadband, and IPAWS).

Agenda:

- Statewide Emergency Communication Board (SECB) Updates Including:
 - 2022 Board/Committee Representation
 - 9-1-1 Telecommunicator Workgroups
 - 403 Statute Rewrite Project
 - 2022-2024 Statewide Communications Interoperability Plan (SCIP)
- Regional Emergency Communications/Emergency Services Board Updates Including:
 - Strategic Planning
- DPS-ECN Program Updates Including:
 - PSAP Cybersecurity Initiative
 - Upcoming Training Opportunities
 - 2022-2023 SECB Grant Projects

Who Should Attend?

- Elected officials representing local, county, state, and tribal entities.
- Representatives from the SECB board, committees, and workgroups.
- Representatives from the state’s seven Emergency Communications/Emergency Services Board regions.
- Representatives from the state’s public safety professional associations.
- Public Safety Answering Point (PSAP) personnel and emergency responders representing all disciplines.

Questions or Concerns?

Please feel free to contact one of the DPS-ECN team members listed below:

- Marcus Bruning, Regional Interoperability Coordinator, at marcus.bruning@state.mn.us.
- Steve Tait, Regional Interoperability Coordinator, at steven.tait@state.mn.us.
