

# DPS-ECN Webinar Series – Q4 2021

The Minnesota Department of Public Safety division of Emergency Communication Networks (DPS-ECN) invites you to participate in our ongoing series of educational/informational webinars that are being presented throughout 2021. These sessions are intended to provide our stakeholders with an opportunity to learn more about the governance, technology, and operational aspects of Minnesota's four core emergency communication systems: 9-1-1, Land Mobile Radio, Wireless Broadband, and the Integrated Public Alert and Warning System.

## Q4 2021 Presentation Topics:

- **What is the Location of your Emergency? 9-1-1 Caller Location Technology**
  - Tuesday, October 12, 2021 (0900 to 1100)
- **PSAP Continuity of Operations Planning**
  - Tuesday, October 26, 2021 (0900 to 1100)
- **The 403 Statute Rewrite Project**
  - Tuesday, November 9, 2021 (0900 to 1100)
- **Regional Planning and Grant Projects**
  - Tuesday, November 23, 2021 (0900 to 1100)
- **The 2022-2024 Statewide Communications Interoperability Plan (SCIP)**
  - Tuesday, December 14, 2021 (0900 to 1100)

## Who Should Attend?

- Elected officials representing local, county, state, and tribal entities.
- Representatives from the SECB and its committees/workgroups.
- Representatives from the state's seven Emergency Communications/Emergency Services Board regions.
- Representatives from the state's public safety professional associations.
- Public Safety Answering Point (PSAP) personnel and emergency responders representing all disciplines.

## Participation Information:

- The webinar sessions will be conducted via WebEx.
  - Internet and telephone connection information for each session is included on page 2 of this document.
  - No pre-registration is required.
- The webinar sessions will be recorded for stakeholders that cannot attend the live session.
  - To access the recordings, please visit the DPS-ECN [website](#).

## Questions or Concerns?

Please feel free to contact one of the DPS-ECN team members listed below:

- Marcus Bruning, Regional Interoperability Coordinator, at [marcus.bruning@state.mn.us](mailto:marcus.bruning@state.mn.us).
- Steve Tait, Regional Interoperability Coordinator, at [steven.tait@state.mn.us](mailto:steven.tait@state.mn.us).
